What students are saying...

"I really enjoyed this class. I've learned a lot of things."

"The field trip was incredibly interesting and fun. It helped me get a feel for what construction and jobsites are all about."

"It gave me a direction to take my career."

"I loved the hands on building. It was great to be able to put into practice the skills I learned during the week."

"It was AWESOME!"

Explore your future in construction through the **Future Builders Academy 2012**

sponsored by the Arizona Builders' Alliance

Registration Fee: \$15

Be a part of an exciting career and the building of America's future! High school students will have the opportunity to participate in this unique career development program.
